THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield, on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions for property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence.

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 o'clock P.M.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and eighty-two.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield on Saturday, the twentieth day of March, next at one of the clock in the afternoon, to act upon the following subjects:

1. To see if the Town will vote to raise and appropriate the sum of \$1,342.41 for Town Road Aid. The State to contribute \$8,949.39. Approved by the Budget Committee.

2. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Old Center Road. Approved by the Budget Committee.

3. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Mt. Delight Road. Approved by the Budget Committee.

4. To see if the Town will vote to raise and appropriate the sum of \$9,000 for the purpose of purchasing a Police Cruiser, and authorize the withdrawal of this amount from the Capital Reserve Fund known as the Police/Fire Equipment Fund. Approved by the Budget Committee.

5. To see if the Town will vote to raise and appropriate the sum of \$32,000 for the purpose of reassessment of the entire town, and authorize the withdrawal of \$10,000 from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and to further authorize the withdrawal of the other \$22,000 from the Property Revaluation Fund established at the Town Meeting in 1978. Approved by the Budget Committee.

6. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of installing a new heating unit for the Town Hall and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Approved by the Budget Committee.

7. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of site preparation to the Old Center Cemetery extension and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Approved by the Budget Committee.

8. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of repairing Cotton Road Bridge and to authorize the Selectmen to transfer any unused monies to the Capital Reserve Fund Build/Repair Bridges established at Town Meeting in 1980. Approved by the Budget Committee.

9. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be used by the Freeses Pond Study Committee for the purpose of subsurface exploration, soils analysis, land acquisition and other miscellaneous activities associated with the study of the acquisition and replacement of the dam at Freeses Pond. The money will be expended at the direction of the Study Committee with the concurrence of the Board of Selectmen. By Petition. \$1,950 recommended by the Budget Committee.

10. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.

11. To see if the Town will authorize the Selectmen to sell the grave sites in town owned cemeteries.

12. To see if the Town will vote to accept sums of monies, from the following persons for the purpose of perpetual care in Morrison Cemetery:

- a. Three hundred dollars, from Roland C. Batchelder, for the care of Batchelder lot.
- b. Three hundred dollars, from Doris A. Batchelder, for the care of Batchelder lot.

13. To see if the Town will authorize the previously executed transaction whereby the Town sold a certain parcel of its land to James T. and Elaine Alexander, and, in exchange, acquired a certain parcel of land that belonged to James T. and Elaine Alexander in furtherance of a new fire sub-station in the vicinity of South Road and Birch Road.

14. To see if the Town will authorize the Selectmen to dispose of the land and any buildings thereon, acquired by Tax Collector's Deeds, in accordance with RSA 80:42 as follows:

- a. Lot #16 on Mt. Delight Rd., formerly Caruso property.
- b. Lot #22 on Reservation Rd., formerly Blais property.
- c. Lot #30 on Brown Rd., formerly Croteau-Milone property.

15. Provided that the Morrison Cemetery Corporation receives necessary approvals from the Rockingham County Superior Court for its dissolution pursuant to RSA 292:9, that:

- a. Pursuant to RSA 31:3, the Town of Deerfield accept as a gift title to the Corporation's real estate where the Morrison Cemetery is located;
- b. Pursuant to RSA 31:20 the Town of Deerfield utilize said real estate as a cemetery;

- c. Pursuant to RSA 31:20 the Town of Deerfield accept as a gift the Corporation's other assets consisting of bank deposits presently totalling approximately Fifteen Thousand Dollars and hold those funds and the income therefrom in trust and utilize them for purposes of maintaining, improving, expanding and otherwise caring for the Morrison Cemetery; and
- d. Pursuant to RSA 31:21, the Town of Deerfield receive from the Morrison Cemetery Corporation all funds which said Corporation holds for the care of cemetery lots in Morrison Cemetery and expend said funds and the income therefrom in accordance with the terms of the trusts and contracts under which the funds were received by the Morrison Cemetery Corporation.

16. To see if the Town will vote to continue the Freeses Pond Study Committee, established at the 1981 Annual Town Meeting. The Committee will carry on the study of the replacement of the dam at Freeses Pond and will prepare a report covering its findings and present its recommendations at the next annual Town Meeting. By Petition.

17. To see if the Town will vote to require that the ratio of de-icing salt to sand, as placed upon all roads under the jurisdiction of the road agent, be as close to one-to-twenty as is possible, and that such salt be stored in such a manner so as not to endanger any water supply. Nothing in this ordinance shall be construed to prevent said road agent, in times of emergency or where an extreme public hazard exists, from using a higher percentage of salt. By Petition.

18. To see if the Town will vote to go on record as supporting the adoption of a returnable container system for the State of New Hampshire. The record of the vote on this article shall be transmitted to the New Hampshire General Court. By Petition.

19. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

20. To see if the Town will vote to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in this Town, said authorization to encompass the setting of such conditions as the Board shall deem necessary and appropriate. Said conditions may include the setting of subscription or service rates to citizens and franchising fees to the Town or the extent that they are not inconsistent with N.H. RSA Chapter 53-C and the Rules and Regulations of the Federal Communications Commission.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and eighty-two.

SELECTMEN'S REPORT

The house numbering system, encompassing every residence in Deerfield, was, through the diligence of the committee, completed. This allows the Volunteer Fire Department, Police Department, Rescue Squad and the Raymond Ambulance Service to locate the party in need of assistance. The Selectmen wish to thank the committee members who gave of their time and worked long hours on this project, with special thanks to Mr John Brinkler for doing the map work necessary.

Because the Town of Deerfield is at approximately one-third of what the Department of Revenue Administration considers 100% valuation, the Selectmen could foresee the day when we would have the choice of doing the revaluation or having the Department of Revenue Administration come in, do the work and present us with the bill. For several years now we have voted at Town Meeting to have money set aside for this project. This coming year we are asking at Town Meeting to let us start the revaluation using our own assessor Paul Brown of Raymond, who we feel will do the work at a substantial saving.

On December 31st we had the resignation of Police Chief Camille Cote for business reasons. The Police Department reorganization is being carried out under Acting Police Chief Paul Dewey. We are planning for an officer to be on duty full time and to answer the calls for assistance.

Due to the ever increasing rate of interest charged on borrowing money and the large amounts borrowed this past year to meet our obligations, we feel that we should go to semi annual collection of taxes. July 1st and December 1st. Several towns in the area are doing this and have substantially reduced their interest payments. The procedure would be that one half your previous year's tax would be due July 1st. The remainder would be figured on the new tax rate and be due December 1st. The legal basis for our action is RSA 76:15-b.

The road project on Middle Road is near completion. There is additional shim to be applied in good weather. This year we are asking for projects on the Old Center Road and the Mt. Delight Road. Shimming in most areas on good Class V blacktop roads allows us to keep up road surface at minimal cost.

Winterizing the Soldiers' Memorial Building was done by Mr. Fred Dodge and should show savings on the fuel bill.

Microfilming of the town records was completed and a microfilm reader has been purchased.

Land one acre plus has been purchased from Mr. Richard St. Hilaire for an expansion of the Old Center Cemetery.

Due to the resignation of Frederick McGarry, Health Officer and Philip Bilodeau, Assistant Health Officer, the Selectmen nominated to the State Board of Health the name of Larry Erickson to fill this vacancy.

MUNICIPAL BUDGET COMMITTEE

The proposed Town Budget for 1982 and the 1982-83 School Budget, which are in this Town Report represent what the MBC feels is an adequate expenditure to maintain town assets and services. The town already has met the recommendation of the 5-year Capital Improvement Program dated January, 1979 (Master Plan for Deerfield).

In order to just maintain basic town/school needs, it is inevitable that taxes must rise. Inflation and the cost of materials plus a reduction in state and federal revenues make this a fact.

Last year's anticipated tax rate when finally set by the Revenue Administration in Concord was increased at least \$2/1000 due to a reduction in actual state revenues. Another \$1/1000 increase was due to additional assessment by the County. 1982 will have further decreases in offsetting revenues. Thus the town will have to bear the burden of higher taxes if the level of present services are to be maintained.

The MBC feels the School Board should be highly commended for adopting a new concept (4-day week) in educational administration in order to maximize effectiveness of each dollar spent. Not only is there a savings to the taxpayer but indications are that the quality of education has improved, and there is enthusiasm by students, staff parents and administration. One word of caution at this time: the proposed educational budget is based on continuing the four-day program. Should the State Board of Education decide to disallow the program for 1982-83, a special School Meeting must be called to approve a revised budget.

A consensus of the MBC feels the Selectmen should consider semi-annual tax collection. At current interest rates, it is now costing the town approximately \$20,000 a year to borrow operating money prior to receiving tax revenues in December. In addition, the MBC feels that, as the major expenditure in the Town Budget, a long range Road Improvement Plan should be initiated.

POLICE DEPARTMENT REPORT

Only four active special police officers were on hand at the start of 1981. They include myself, Chief Camille Cote, Lieutenant Paul Dewey and officers Gary Ray and Robert Assante. Officer Robert Stevens was also retained to perform special duties. By year end we had added officers Earle Ray III, Peter Lindahl and Richard Marquis.

Many off-duty hours were spent to help curb and solve crimes, particularly burglaries, that have plagued the townspeople. A series of break-ins at some of the summer residences on Pleasant Lake were put to a halt with the arrest of two subjects from the Manchester area. Other burglaries near the town center were solved with the arrest and conviction of another out-of town subject. Another burglary suspect, charged with attempted burglary and criminal mischief at a residence on Route 107 N rth, has been indicted for trial by the Grand Jury. Trial date has not been set at the time of this writing. Merrimack Sheriff's Department and the Rockingham County Sheriff's Department in conjunction with our police department, have been instrumental in the solving of another group of burglaries and thefts in our area which could conceivably account for at least ten burglaries. Arrests have been made in that case with the suspects out on bail awaiting trial. Many burglaries have been linked with juvenile offenders. Some of these cases are still pending and being investigated. We have had approximately 67 burglaries reported in this town through December 31, 1981. Countless hours have gone into investigations which brought some of our officers to areas as far away as West Swazey Londonderry Concord Manchester, etc.

Deerfield as the largest town in Rockingham County, will require additional funding and a full time police chief if the police department is to be more efficient. The Selectmen and many of the towns citizens share our view in regards to having a full time police officer.

Special thanks should be given to the many Deerfield citizens for their aid in relating information relative to and aiding in solving crimes. My special thanks are extended, but not limited to, the entire Board of Selectmen, all past and present police officers of this town, all State County and neighboring police departments, and many others who have played an important role in assisting our department in many ways.

Although I am resigning as Deerfield's Police Chief, I plan on remaining with the Rockingham County Sheriff's Department of which I have been a member for several years. Paul Dewey has been appointed as interim Police Chief and is well qualified to serve as such. It has been a pleasure and an honor to have served the Town of Deerfield.

Camille Cote
Chief of Police

ACTIVITY STATISTICS

In viewing the below statistics it should be born in mind that all crimes that have occurred in Deerfield are not reported to Deerfield Police. Many are reported to the State Police or to Rockingham Sheriff's Department. I am sure that there are also many crimes that are not even reported due to a variety of reasons such as: minor crimes lack of faith in the police effort or where the people are just too busy. Not shown below are the hundreds of calls that the police responded to that required no formal report such as citizen assists public relation details service calls, information requests, record checks etc. Also not shown is the time logged in writing police reports and doing other administrative functions.

DOG OFFICER REPORT

As of March 1981 I assumed the obligations of the dog officer for the town of Deerfield. In as much as I already had kennel facilities this has made the job much easier.

Most all of the animal complaints received are handled regardless of the nature of the complaint. A report is made on all cases investigated. I have tried to respond at the time of the call or at least no later than the next day if the call is in the evening. Emergency animal calls are handled at once.

In March of 1981 the citizens of Deerfield voted to enforce the state leash law. I have been very lenient in its enforcement this first year however, beginning in 1982 owners of unregistered animals and owners of unleashed animals will be summonsed to court.

In 1980 there were 217 dogs licensed in Deerfield. In 1981 there were 273 dogs licensed in Deerfield. The increase was due in part to general growth and also due to having someone enforcing the licensing laws. I expect to see over 325 dogs registered during 1982.

A total of 30 dogs have spent 350 days kenneled at Marvilor Farm. This figure shows that I have kept many dogs far in excess of the minimum time required by law in order to find good homes for them or to allow the owner more time to locate his animal. I utilize the local papers, local bulletin boards in stores and free advertising in the Union Leader in order to find homes for unclaimed animals.

PARKS AND RECREATION

1981 found our Community Ball Field being used more than ever. Many different organizations continue to ask permission to use the facilities. Our regular teams like the Little League, Babe Ruth and the various George B. White teams played full schedules at the complex. This year we were blessed with bountiful rain and as a result our field was in excellent shape throughout the year.

Some thoughts have been raised about the possibility of changing the Little League diamond to a complete grass infield much the same as our Babe Ruth field. This would be done without interrupting any of the baseball schedules. We still have to raise up a portion of the steel fence and repair some washed out areas on the banking.

This year our budget reflects a small decrease and in these times of inflationary runaway we are most pleased to hold the line without reducing any activities or upkeep. Our sincerest thanks go to Allen and Bruce Stevens who did an exceptional job in the upkeep of our complex. My personal thanks go to fellow committee members Lana Stevens, John Crummey, Dick Clark and David O'Neal. I also thank all of those people, who as in the past, continue to give us a helping hand when asked.

Chairman

REPORT OF THE PLANNING BOARD

The Board held nine final hearings for subdivisions this year and two preliminary hearings. The land involved in these subdivisions was forty one lots which amounted to 515 acres. All but one were minor subdivisions.

In accordance with law changes made by the General Court 1981 hearings have been held to update the following regulations:

- a) Rules and regulations for the subdivision of land.
- b) Non-residential site plan review regulations.

In addition, the first hearing was held October 14, 1981 on modifying the Mobile home section of the Zoning Ordinance. This was an attempt to meet the intent of the new law Chapter 406 Senate Bill 279.

The Deerfield Zoning Ordinance meets all aspects of the new law except for a ratio factor, building permits issued for mobile homes relative to conventional homes, which was not addressed by the new statute.

John S. Brinkler
Chairman

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment held public hearings on 13 requests for variance or special exception to the zoning ordinance. One request was withdrawn, 7 were denied 5 were granted, one of those denied was granted after rehearing and one rehearing request was denied. One application was returned to the applicant as incomplete.

Public hearings are normally scheduled for the fourth Tuesday of the month 10 days after publication of the notice. Completed applications are processed by the clerk for publication and posting 14 days prior to the hearing date. Application forms can be obtained from the official that denies a permit or subdivision (selectmen, planning board or building inspector) and should be signed by them, listing Art. & Sect. of the ordinance on which denial was based.

N. Gluckert, Chairman
T. Fowke, Clerk

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission held twelve monthly meetings, generally on the first Monday at 7:45 P. M. at the library. Some of the noteworthy activities of the Commission included the following:

Supported articles at the Town Meeting to appoint a study committee to investigate the feasibility of restoring Freeses Pond with an appropriation of \$2,000.00. Conservation Commission members Farr and McGarry were among the citizens appointed to this committee.

The Commission also introduced an amendment to the warrant article on the sale of tax liens property. This amendment would insure that the Commission and the Parks and Recreation Commission would be consulted prior to the sale of any such property to be certain the land was not of importance to either Commission.

The Commission sponsored a tree planting demonstration on Earth Day when two maple trees were planted on the lawn of the First Baptist Church directly opposite the Town Hall. These trees were intended to eventually replace the elms which were destroyed by disease and were removed.

The Commission is especially concerned with the loss of shade trees along our highways and urges residents to become aware of the esthetics and importance of trees to our Town.

The Commission held a regional meeting on acid rain at the Community Center in November. Conservation Commissions of all adjacent towns were invited. This meeting was very educational and it emphasized the significance of this environmental problem. Acid precipitation is having a very serious cumulative effect upon our environment, especially as it affects future generations. Unfortunately, the attendance at this meeting could have been greater.

Four of the members attended the annual meeting of the New Hampshire Association of Conservation Commissions in Wolfeboro. Jim McIntyre acted as Chairman at the meeting and Fred McGarry was a panelist at a session discussing Freeses Pond.

Some of the routine work of the Commission included support of a bottle bill, processing fill and dredge permits, advising residents of the provisions and requirements of the Scenic Roads Act, and arranging with Ronald Alie, District Fish and Game Officer, to have work done by sportsmen's clubs to enhance the wildlife habitat at the McNeil woods.

Presently, the Commission is preparing a complete map of Town and State owned land in Deerfield and is working on wetlands inventory maps. These maps will likely be completed in 1982 and recommendations will be developed for a Wetlands Conservation District in the Town.

Secretary

OLD HOME DAY

The 1981 Old Home Day was blessed with ideal weather and as a result all activities were held as scheduled with fine attendance. As in years past several former residents returned to renew old friendships and observe the many changes time has wrought in Deerfield.

In an effort to reduce the financial burden on the town of sponsoring Old Home Day, the central steering committee, early in the planning process, made the decision to personally absorb the major share of expenses in coordinating the days events. While developing this years parade it was suggested that funds be solicited to hire a marching band for additional color and sound. It is especially pleasing to report that the response from the private sector was so supportative that not one but two bands were eventually hired.

Dee Young assisted by Mark Tibbetts and Mary County put together the parade and are to be commended for their efforts and dedication. As a result of the residents donating monies and prizes, the towns cost of Old Home Day was \$100 for the band concert. Other committee members sharing their talents included Walt and Alan Markson, Jack and Becky Hutchinson, Harry and Joanne Wasson, Ruth Martin, Gerry Rollins and Bob Stevens.

The Committee continued its practice of honoring citizens who have served the community long and well by recognizing Roger King and Martha Southmayd as their selections for Man and Woman of the Year. Both individuals were presented inscribed wall plaques as reminders of their high esteem within the community.

On a personal note, I humbly express my heartfelt thanks to the steering committee and the town for their support during the three years I have been involved in the Old Home Day process. It has been a very enjoyable experience because of your overwhelming response to our efforts.

RURAL DISTRICT HEALTH COUNCIL, INC. REPORT

As the federal government studies the cost of health care there is increased interest in home care and preventive medicine as methods of reducing costs and improving health services. The Rural District Health Council continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

The priority service is the care of the sick program which provides nursing care, home health aide, physical, occupation, and speech therapy services. This program has provided 4,677 visits to its' member towns from January 1981 to October 31, 1981.

The agency's staff also conducts elderly health screenings on Wednesday afternoon. Adults from the member towns are welcome to attend any of these screenings. The first Wednesday it is held in Farmington at the Town Hall, second Wednesday in Northwood at the Town Hall, the third in Barrington at the Catholic Community Center, the fourth Wednesday in Milton at the Milton Health Center. They all start at 1:00 P.M. and continue until all patients are seen. The screening includes blood pressure checks, diabetes - anemia screenings, nutrition counseling for special diets and weight control. This program has provided services to 627 patients, with 57 new patients enrolled and 23 referrals made.

The child health program is an active program with 738 children enrolled. From January 1981 - Oct. 1981, 58 clinics have been conducted with 1,046 children receiving physicals. This program is offered to all children from any of the member towns and includes physical examinations, immunizations, and counseling for families with children 0-6 years.

A Dental program is also held for children ages 3-6 years which includes cleaning and flouride treatments twice a year with referrals to local dentists for follow-up care when needed. It is funded by the Division of Public Health, Bureau of Pre-School Dental Services. The program provided service to 391 children.

Home visits to mothers of newborns are provided, when requested by patient from the hospital. This can be very helpful to the family in the process of adjusting to the newborn. Follow-up visits are also made to assure continuity of care. This program is funded in part by the U.S. Dept. of Health and Human Services, Bureau of Maternal & Child Health Grant and the Rural District Health Council. The agency coordinates services with the Supplemental Food and Nutrition Education Program for Women, Infants and Children -(WIC) in conjunction with the Strafford County Pre-Natal Family Planning Program, Inc. Foods supplied are formula, dairy products, fruit juices and cereals.

The Rural District Health Council with the cooperation of Frisbie Memorial Hospital provides a discharge referral coordinator who assists the Social Service Dept. at the hospital and the patient's physician to continue care when needed from the hospital to the patient's home. The hospital funds this program in part with the Council. 281 referrals have been made.

The Council employees dedicated staff who many times devote themselves above and beyond the call of duty reflecting the nurse who cares for people.

The Agency receives funds from grants, United Way, town appropriation, Medicare, Medicaid and private insurances. A bequest to the Council may be made either for unrestricted use in furthering the general purpose of the Rural District Health Council or for such special or restricted purposes as the donor may desire. Memorial gifts become a lasting honor to the memory of someone special such as a relative or friend. An acknowledgement is sent to the family without disclosing the amount of the gift. All gifts to the agency are deductible for estate and income tax purposes.

The Board of Directors has voted to hold the per capita at \$3.00 for the fiscal year 1982. The agency has seen an increase in revenue and will apply that to the town appropriation. With this added revenue the Finance Committee feels the Council can continue to provide the many needed services to its' member towns.

With the increasing aged population our special mission is to provide programs responsive to the community and to coordinate visiting nurses with other health and social service agencies.

During the past year the Council has made for your town 145 nursing visits, 208 home health aide visits and 24 therapy visits; there have been 49 child health home visits and 68 children have attended the child health program.

Anyone interested in additional information, or needing services may contact the Rural District Health Council, PO Box 563, 6 So. Main St., Farmington, N.H. 03835, or telephone 755-2202 between the hours of 8:00 A.M. - 4:00 P.M., Monday - Friday.

NEWMARKET REGIONAL HEALTH CENTER, INC. REPORT

In 1981, the Newmarket Regional Health Center celebrated its 10th anniversary and opened a new medical facility, the Lamprey River Clinic, in Raymond, N.H. At both facilities, a medical program is operated, providing general medical care, preventive health services and an extensive community outreach program, which includes preventive screening clinics, health education and social services. In 1981, the health center initiated a mental health linkage program. Ann Bliss, a counselor, was hired to provide mental health services which consist of initial intake and assessment, short-term counseling linkage and referral to area mental health agencies.

Medical services are provided by Sarah Oxnard, M.D., Michael Lewis, R.P.A., and Barbara Janeway, M.S.N., A.R.N.P. In July, Peter Friedensohn, M.D. joined the staff. Dr. Friedensohn is a graduate of Dartmouth Medical School. The medical team includes registered nurses, medical assistants and community health workers. For more information or to make a medical appointment, call 659-3106 in Newmarket, 895-5531 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The Community Health Workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaison between the medical providers and the patient.

The Newmarket Regional Health Center also operates a Senior Citizen Transportation Program. In 1981, two new 18-passenger busses (with hydraulic lifts) were purchased, increasing our fleet to three vehicles equipped to provide services to individuals confined to a wheelchair.

The transportation service enables seniors to remain independent, self-sufficient and active by providing rides to needed services, including medical, shopping and recreational trips. For more information or to arrange a ride for a senior citizen, call 659-2424 or toll-free at 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Deerfield.

SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION REPORT

Since the Commission's last report to the Town, Federal budget reductions and recessions have hampered efforts to sustain the level of staffing and the varied work program to which our member communities have become accustomed over the past fifteen years.

Budget constraints have forced the Board of Commissioners (your appointed representatives) to eliminate one technician position, reduce the combination bookkeeper and secretarial position to a part-time bookkeeper status, and most recently, to leave the vacated graphic artist slot open. Thus far, the program area most affected has been the previously HUD-State supported regional planning element. A severe reduction in HUD '701 funding, and elimination of the State match to help support the Commission's Fiscal 1982 work program, forced the adoption of a much-abbreviated regional planning component.

Despite these problems, the Commission has attempted to balance the needs of the outlying towns with those of the central city, Manchester, and has been able, through its regional, transportation and local planning assistance programs, to continue services to local officials. In the form of various reports, special studies, technical assistance, etc., member communities have had important concerns addressed and been able to receive help on a wide range of issues. Several have been able to initiate public improvement projects which are eligible for State and Federal financial assistance.

During the past year, some of the work accomplished under the regional and transportation planning elements has included:

An evaluation of progress made, by the Commission, toward the implementation of previously-adopted regional land use and housing plans (parts of the regional comprehensive plan);

Publication and wide distribution of our newsletter, "Project", through which timely articles and news items on a wide variety of subjects ranging from recent court decisions on planning and zoning matters, community tax base analysis, and the use of performance standards for new development evaluation, to water quality management have been brought to the attention of municipal officials and concerned citizens;

A seminar for General Court members representing the Commission's communities, during which they had an opportunity to informally discuss our responsibilities, programs, services and relationship with the towns with commissioners and staff;

A workshop on the National Flood Insurance Program conducted for the benefit of areawide selectmen, building inspectors, planning board members and the general public;

A workshop conducted by representatives of the New Hampshire Department of Public Works and Highways on the Department's "5-Year Highway Improvement Program, 1981-1985 for the Southern New Hampshire Planning Commission Subregion". Municipal officials and the public were invited to obtain a briefing on projects in their respective communities and to become familiarized with the project qualification and selection process;

The completion of a "Community Recreation Survey" of facilities, programs, financing, staffing, and issues through interviews with officials in each community. The results are expected to be published by the Office of State Planning during the Spring of 1982:

Extensive work, by Commissioners and staff, with area-wide Boards of Selectmen and members of the New Hampshire Legislature in an effort to correct numerous inequities in RSA Chapter 566 which will seriously impact local tax rates resulting from implementation of the State Solid Waste Plan. (Details were reported in the December, 1981 issue of "Project"); and

Co-sponsored, with the Nashua Regional Planning Commission, a workshop on interpretation of the provisions of RSA 31:118 and 119 regarding zoning for mobile homes. Staff also worked with the legal counsel of the New Hampshire Municipal Association drafting proposed amendments on behalf of our member communities.

Local Planning Assistance Services

A representative sampling of staff services provided to the Town of Deerfield during the past year included:

Provided the Planning Board and Board of Selectmen with updated copies of "Planning Legislation in New Hampshire".

Provided the Planning Board with sample material needed to bring the Subdivision Regulations into compliance with the 1981 amendments to RSA 36:23, "Board's Procedures on Plats".

Provided the Board of Selectmen with notice of public hearings on the adoption of criteria governing the designation and mapping of "prime wetlands" under RSA 483-A:7.

Provided the Board of Selectmen, Zoning Board of Adjustment, and the Planning Board with notices and schedules of the Municipal Law Lecture Series held in the Fall, 1981.

Prepared various legal notices, at the request of the Planning Board, and delivered same to the "Manchester Union Leader" for publication.

Provided the Planning Board with information regarding the status of Special Flood Hazard Areas mapping by the Federal Emergency Management Agency.

Provided the Planning Board with a copy of "Performance Standards For New Hampshire Communities" for their consideration for possible use in the Zoning Ordinance.

Provided an opinion, requested by the Planning Board, regarding consistency of the Zoning Ordinance with the 1981 legislative amendment (RSA 31:118 and 119) dealing with mobile homes.

At the request of the Planning Board, conducted a comprehensive review of, and prepared suggested changes to, proposed "Non-residential Site Plan Review Regulations". Also cited the statutory requirements governing the adoption of amendments and the recording of enacted regulations.

Mr. John L. Sherburne served on the three-member Commission sub-committee conducting an in-depth review of the new RSA Chapter 566 which was enacted by the 1981 session of the State Legislature to implement the State Solid Waste Plan. The extensive work of this sub-committee, in cooperation with the various boards of selectmen, resulted in the preparation of several very important amendments intended to protect the municipalities. Consideration of these is expected during the 1982 special session of the New Hampshire General Court.

FREESES POND STUDY COMMITTEE REPORT

At the 1981 Annual Town Meeting, the Town voted to establish a nine member committee to review the options available to the Town regarding the replacement or the permanent elimination of the dam at Freeses Pond. The nine members appointed to the Committee were:

Ronald Alie
Charles Copeland
Al Daigle
Frederick Dodge
Joseph Dubianski
Robert Farr
Frederick McGarry
John Sullivan
Joanne Wasson

The first meeting was held on 21 May at which Fred McGarry was elected Chairman; Charlie Copeland, Vice Chairman; and Joanne Wasson, Secretary. The Committee met seven times on a monthly basis.

The first task the Committee assigned for itself was to learn the background of the events which led to the removal of the Freeses Pond dam. Records of the Water Resources Board were reviewed and one meeting was held with several residents of Freeses Pond to determine their understanding of the situation.

It was also necessary to determine the current ownership of the land. It was found that there are currently three property owners of the bottom land, one individual owns the easterly side and two individuals own bottom land on the westerly side.

The Committee decided that it would not be advisable to proceed with soils exploration since any such work would in effect be trespassing and should one of the owners refuse to sell, the money expended in soils work would be wasted. It was decided to pursue the acquisition of options on the land prior to conducting any other work.

Joe Dubianski met with the two largest property owners to determine how receptive they would be to selling their land. Joe prepared a form to be used for obtaining the options. Following a meeting with the Selectmen informing them of the progress of the Committee, the option form was reviewed by Town Counsel. The option along with \$50 has been sent to the owner of the land on the easterly side of the pond. To date he has not returned the signed option.

A meeting was held on site with a boring contractor to determine possible cost for subsurface exploration and also to estimate the likelihood of finding gravel in the area. It was felt that there was a strong possibility of finding gravel on the easterly side of the pond. The westerly side appears to have little if any, saleable gravel.

The Committee was not able to complete its work because of the delays experienced in determining ownership of the bottom land and obtaining option on it. It appears necessary that in order to complete work, the Committee will have to be extended for another year.

Frederick J. McGarry, P. E.
Chairman

SCHOOL BOARD REPORT

What a year it has been and what a long way we've all come. Looking back at our school district meeting in March of '81 - we ended that meeting with the people in this town very much separated in support of our educational system.

As I think back to last spring, I feel very proud to live in a town where people can be apart but then by working together, listening sharing they can find a common ground to come together. The public support the School Board has had this past year has been rewarding. As we have tried to approach our problem issues in an open and creative way we have done so feeling that this town was open and supportive of our decisions. Change is not always easy especially when it influences our daily routines and activities.

We, on the Board, deeply appreciate this town's support of our 4-day week concept and all its implications. I'd like to especially thank the Citizen's Advisory Committee, our principal, Peter Sweet, our staff - (which has been committed and responsive to our school and our children), parents, citizens in the community, our Community/School Coordinator, Suzie Sherburne, and our superintendent George Blaisdell. Without the support and efforts of all these people, we on the School Board would never have been able to deal with the issues that affect our pocketbook and the education of our children with some success. We thank you all.

The School Board has continued to work on issues of energy, conservation, building maintenance, insurance, policy concerns, transportation and high school attendance.

The Citizen's Advisory Committee has been diligent in attaining their original objectives. We applaud their efforts and appreciate all the time and support they've given - as a committee and individually - for the school district. Their report to the School Board and town is as follows:

REPORT OF THE CITIZEN'S ADVISORY COUNCIL

May - November 1981

1. We fully support the four day week plan and applaud the diligence and cooperation of the school and community in its implementation.

2. We encourage the School Board, administration and community to pursue energy conservation in the school. Significant progress has been made this year and the energy audit indicates specific projects for the future. If this committee is continued, it should be able to further advise, assist and support the School Board in energy conservation.

3. With the exception of special education, Deerfield has been poorly serviced by S. U. #53 under the previous superintendent. For \$30,073.34 in 1981-82 we should receive excellent administrative support in purchasing budgeting bookkeeping payroll record keeping and legal advice. Hiring teacher evaluation staff development competency review and curricular work would in our judgement be better managed for Deerfield primarily in Deerfield. However we do not want to fix the role of our new superintendent. If, at the time of the next regular school district meeting, the board is not satisfied that Deerfield is receiving \$30,000 worth of services from S. U. #53 then a committee should be charged with developing an alternative. Several options which should be considered are:

1. Joining another S. U.
2. Forming a new autonomous S. U.
3. Seeking legislative redress allowing Deerfield to develop its own administrative structure - perhaps combining town and school district support in a single office.

This would be a major undertaking. Substantial political and legal work would be required. It may be necessary to hire a researcher/lobbyist for some period.

4. We feel this committee has played a constructive role during its tenure as a sounding board for the school board as a liaison with the community as a conduit particularly for the views of our most experienced generation. If the board chooses to continue the committee it should take care to appoint a diverse and representative membership - by neighborhood age background and interests.

Members of the Citizen s Advisory Committee:

Jack Sherburne	Jack Hutchinson
Penny McGarry	Evelyn Cronyn
Waddie Winslow	Keith Karstens
Joan Bilodeau	Rae Bloomfield
George Keech	Joe Stone

The concept of a Citizen s Advisory Committee is a sound one and the School Board has begun to set up a permanent Advisory Committee to act as a continuous liaison between the board and community.

In closing, I'd personally like to thank those who have given so much of their time and lives for the betterment of our educational system George Humphrey Robin Talkowski, Lana Stevens Peter Sweet, George Blaisdell Suzie Sherburne and so many others too numerous to list.

Judith Bush

SCHOOL PRINCIPAL REPORT

This year we are very fortunate to have the following people as new members of our staff. John Dickson, Junior High Social Studies, Brenda Williams, Grade 3, Bruce Turnquist, Grade 1/2 and Nancy Shute, Grade 4/5. Interns from UNH Graduate Program, Paula Jacobson Music, Althea Wolfe, Art, Gary Gelinis, Physical Education; Judy Capelle Title I/Special Ed. Aide, Paula Amazeen, Special Ed. Aide, Tracy Scott Lunchroom Director, and Dorothy Ross Lunchroom Worker.

Our new-found status as the first community in the Eastern United States to experiment with the four day week, has brought with it nation-wide attention as well as a new challenge. As we approach the mid-way point of the first year of implementation, the staff at the George B. White and the citizens of Deerfield deserve a tremendous amount of credit

for the experiment's initial success. Although it is premature to evaluate the merits of the four-day week, the increase of community involvement with the school has become a valuable asset. In addition, the staff has shown a high level of dedication as evidenced by their willingness to assume the extra demands that have been placed upon them.

There have been other positive changes implemented this year in addition to the four-day week. The Atkinson Writing Program has been introduced by Bobbi Clapp and Jane Miller. After reading some of the published manuscripts from their children, one can only marvel at their accomplishments. Also we have been able to reduce our Special Education Out of District placements by developing these services within our school. This has proven to be most successful both in terms of quality education and by being cost-efficient.

The George B. White School has been awarded a three-year grant from the Mott Foundation. The purpose of this grant is to improve and increase School and Community involvement. I would like to extend my appreciation to Surie Sherburne for the superb job she is doing as School/Community Coordinator. Thanks are in order to those citizens who served on this project's advisory council: Phil Bilodeau, Joe Brown, Judy Bush, Vic Carozza, Mary County, Keith Karstens, Carol Lobdell, and Jane Miller. Also, I would like to recognize April Chandler for the tremendous job she has done as School/Volunteer Coordinator.

A new award was established this year for our students in order to recognize those who have exhibited exemplary citizenship skills. It is important to show children our appreciation and admiration when they consistently display such qualities as being polite, cooperative, respectful, and responsible. The fact that 220 students (over 80% of our student body) were selected for this honor for the month of December reflects the fine caliber of students in Deerfield.

In conclusion, I would like to thank the George B. White School Staff Superintendent of Schools George Blaisdell and his staff, School Board Members Judy Bush, George Humphrey, Robin Talkowski, and all the other individuals who have contributed countless hours for the betterment of the quality of education being provided to our students.

Peter Sweet
Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

As a new observer of the Deerfield School District, I have been impressed with the cooperative efforts between the school administration and staff, the community and the members of the School Board. While the 'Four Day Week' has been the primary focus for those efforts. The spirit of cooperation which exists has benefits beyond that topic and serves as a foundation for examining what we want our school to be and to do.

A significant effort has gone into the planning and implementing of the 4 day week program. The planning has caused us to examine our curriculum in some detail as well as the methods and materials used to teach that curriculum. Staff representatives from the State Department of Education have visited the school frequently both to observe our program and to make suggestions for improvement. From my perspective, Peter Sweet and the staff have done and are doing an outstanding job of dealing with all issues which have arisen thus far. Judy Bush, Chairperson of the School Board, Peter Sweet and I have met with Dr. Robert Brunelle, Commissioner of Education to review our progress and to plan a series of reports to the State Board of Education. The State Board will decide late in this current school year, whether or not to allow us to continue with the 4 day program in the future.

My observations of all teachers within the school district have been very encouraging to me. I saw a good program competently taught by professional educators. You can feel proud of the dedicated staff you have. They represent a real asset to your school.

Their staff development efforts, required by the state, are quite good. As I have reviewed their plans and their in-service training programs, I have been impressed with their efforts.

The school is making significant progress in its goal of educating all possible special needs students within the George B. White School. It is very rewarding to see the progress being made by these youngsters. Jaclyn Adams, Special Education Administrator for School Administrative Unit (SAU) #53, has worked closely with the Deerfield staff to plan appropriate programs for these students. The district has also realized some cost savings due to this approach.

Federal funds for the district are used exclusively for programs within the district and are managed by the SAU office. These monies allow us to supplement our program at the school. Facing a time of declining federal and state revenues, we shall have to review our needs and resources very carefully to continue to meet our students' educational needs.

Dr. Gerald Croteau, former Superintendent of Schools, resigned late in the year and moved to another Superintendency in another state. The SAU Board hired Ms. Patsy Baugh to be Interim Superintendent until the position was filled. Following an extensive selection process, I was hired and began as your Superintendent on October 5th. I have met on a number of occasions with representatives of the Deerfield Citizens Advisory Committee to hear their concerns about the SAU office in order to make plans to address those concerns. The information provided by the Committee has been very helpful in setting work priorities within the central office.

A comprehensive study of the SAU office is currently being performed by staff from the Center for Educational Field Services from the University of New Hampshire. It is my sincere hope that this study will assist us in providing cost effective services required of the SAU office for all towns with the SAU district.

I very much appreciate the efforts of the School Board, staff, and community residents in assisting me to get started in a new job and look forward to working with you on behalf of our students in the future.

George I. Blaisdell
Superintendent of Schools

DEERFIELD SCHOOL DISTRICT ANNUAL MEETING

Saturday, March 28, 1981, Deerfield Town Hall

The meeting was called to order by Karen Fowler, School District Clerk at 10:05. James McIntyre was not able to assume the position of Moderator and an election was held to fill that position. Mrs. Judy Bush nominated Wadsworth Winslow Jr. seconded by Nancy Guyette. It was a voice vote in the affirmative. The Clerk swore Mr. Winslow in and the meeting proceeded.

The Moderator listed rules for the meeting: Robert's Rules, as modified by the Moderator, no smoking except in designated areas, no more than two amendments allowed per warrant article. On motions, when discussion has begun, the Maker will speak first, then others will raise hands and wait to be recognized. Speakers will be allowed three minutes. Please use the microphones and state your name before beginning to speak. Vote will be by voice or by hand, unless a secret ballot has been previously requested.

The Moderator introduced the following persons: Dr. Gerald Croteau, Superintendent of Supervisory Union #53, Mrs. Judy Bush, Mr. George Humphrey and Ms. Robin Talkowski, Members of the Deerfield School Board, Mr. Peter Sweet, Principal of the George B. White School; Mrs. Karen Fowler, School District Clerk, and Mrs. Paula Amazeen, Assistant Clerk, Mr. Charles Day, Assistant Moderator, and Atty. David Connell, Legal Advisor.

A motion was made by Nancy Guyette seconded by Christian Winslow to allow the seventh and eighth graders to videotape portions of the meeting. It was a voice vote in the affirmative.

The Moderator read the warrant:

ARTICLE 1. Judy Bush moved the article be accepted as read, seconded by Irene Shores. It was a voice vote in the affirmative.

ARTICLE 2. Judy Bush moved the article be accepted as read; seconded by Nancy Guyette. Dr. Croteau explained that the \$15,950.00 in funds were to help offset special education (89-313 and 94-142) and video equipment, reference materials, etc. (Title IV). It was a voice vote in the affirmative.

ARTICLE 3. Judy Bush moved the article be accepted as read, seconded by Irene Shores. It was a voice vote in the affirmative.

ARTICLE 4. Judy Bush moved to accept the article as read, seconded by Alvin Upper. Erick Berglund asked for further clarification and the status of the legislation. Erick Berglund made a motion to amend the article by adding accept or expend "with the approval of the Municipal Budget Committee", seconded by Willis Rollins, Jr. It was a voice vote in the affirmative for the amendment. It was a voice vote in the affirmative on the amended article.

ARTICLE 5. Judy Bush moved the article as read, seconded by Marty Humphrey. Dr. Croteau explained that this article protected the town from total cost liability for the Special Education of children, ages three through five and eighteen through twenty if the State of New Hampshire no longer mandates such programs. Daniel Briggs moved to indefinitely postpone the article, seconded by George Keech. Senator William Sanborn moved the question of indefinite postponement; seconded by Jack Hutchinson. It was a voice vote in the negative and the discussion continued. Charles Copeland moved that discussion be stopped. It was a voice vote in the affirmative. Joe Stone moved the original article; seconded by Alvin Upper. It was a voice vote in the affirmative.

ARTICLE 6. Jack Sherburne moved the article as read, seconded by George Menard. Jack Sherburne moved to amend the article by deleting "dissolving the existing school district, and establishing a new, independent, elementary school system for Deerfield." And by adding "instituting changes in the existing school district system in order to effect greater efficiency and savings", seconded by Joe Brown. Jack Sherburne further stated that it would help the part time School Board tighten its ship. An opinion of the School Board was asked for and Judy Bush replied that the Board would welcome all the help they could get. It was a voice vote in the affirmative on the amendment. Erick Berglund made a motion to amend "in sufficient time to read "January 1, 1982, seconded by John Williams. During the discussion Judy Bush suggested October 1, 1981 would probably be a better date as it would give the Board more time to examine the recommendations before determining their 1982 budget. Erick Berglund agreed to change his amendment to October 1, 1981. It was a voice vote in the affirmative on the amendment. It was a voice vote in the affirmative on the amended article.

ARTICLE 7. Jack Sherburne moved the article as read, George Menard seconded. Jack Sherburne explained that this is a continuation of a resolution of four years ago. Joe Stone moved to amend the article by deleting the last sentence, 'Until a determination has been reached the School Board shall withhold funds for the operation of the existing Supervisory Union as may be appropriated by this School District Meeting.'; seconded by Christian Winslow. It was a voice vote in the affirmative on the amendment. A motion to table the article was made by Robert McGowan, asking also that the committee set up in Article 6 will do a feasibility study on the forming of a new union, seconded by Nancy Guyette. A voice vote produced a division of the house. A show of hands resulted in 115 yea and 95 nay. The article was declared tabled.

A recess was requested by the Moderator. Charles Copeland moved to continue, seconded by George Keech. It was a voice vote in the affirmative.

ARTICLE 8. Judy Bush moved the article be accepted as read, seconded by George Humphrey. George Humphrey explained that the article reflected the present level of staff members. Erick Berglund made a motion to amend the figures to the Municipal Budget Committee figures, article would read \$215 955.05 and -\$12,212.69. Robert Sanborn seconded. The School Board announced that they could not accept the amendment. Bernie Cameron asked about the impact if the MBC figure was accepted. George Humphrey said that 2 to 3 full time teachers would be let go in addition to art and music. It was moved by Alvin Upper to stop discussion, seconded by Charles Copeland. The voice vote was in the affirmative. A motion to move the amendment was made by Willis Rollins, Jr.; seconded by Norma Billings. The voice vote produced a division of the house. A show of hands resulted in 145 yea and 87 nay. Jack Hutchinson tried to clarify the issue that if approved, teachers would have to be cut in order to honor the collective bargaining agreement and pay the teachers staying on what has already been scheduled. The article was moved by Willis Rollins, Jr. as amended, seconded by Norma Billings. A voice vote produced a division of the house. A show of hands resulted in 144 yea and 93 nay.

The meeting was recessed for lunch at 12:35.

The meeting reconvened at 1:35.

ARTICLE 9. Judy Bush moved to accept the article as read, seconded by George Humphrey. George Humphrey explained that the article bears out the previous Article 8 in that we are confirming that we will honor the second year of the two year contract with the teachers and will remain liable for the cost items. Willis Rollins, Jr. moved to indefinitely postpone the article, seconded by Gerri Rollins.

The Firemen were called away and Gerri Rollins asked for a vote on whether to continue or wait for them to return. A show of hands, 102 yea and 75 nay indicated that the meeting would continue.

A voice vote in the negative resulted for the motion to indefinitely postpone the article. Bob Sanborn questioned the legality of not having the figures appear on the Warrant. Legal advisor, David Connell answered that in his judgement, the Warrant was within the law. Fred McGarry moved that discussion be stopped and the article be moved as read, seconded by Robert McGowan. It was a voice vote in the affirmative.

ARTICLE 10. Judy Bush moved the article as read, seconded by John Brinkler Jr. George Humphrey explained that this article is a wash item, monies would come in to cover the \$36 378.01 supplemental appropriation. Madeline Foulkes moved the article, seconded by Lucy Myers. It was a voice vote in the affirmative.

ARTICLE 11. Judy Bush moved the article as read, seconded by Robin Talkowski. Vernon Ladinig moved to amend the article by changing the School Boars figure of \$14,920.00 and inserting the Municipal Budget Committee figure of \$9 500.00, seconded by Willis Pollins, Jr. Erick Berglund spoke for the MBC and said that the Committee agrees that the repairs should be made but some concessions were possible. George Humphrey said that the School Board felt that this article should be brought before the public for input and that the Board could live with the \$9,500.00 figure. Robin Talkowski reiterated that the Board would welcome help from the community. Robert McGowan moved the amendent seconded by Paul Amazeen. It was a voice vote in the affirmative. Robert McGowan moved the amended article, seconded by Nancy Guyette. It was a voice vote in the affirmative.

ARTICLE 12. The article was moved by John Williams, seconded by Irene Shores with the sum of \$908,458.70 inserted. Neil Maynard presented a petition asking for a secret ballot voting on either the MBC budget figure or the School Board's budget figure, seconded by Stan Penny. Fred McGarry questioned the legality of the petition according to the rules set down at the beginning of the meeting. The Moderator ruled the petition out of order.

John Williams addressed the article as spokesman for the Municipal Budget Committee. George Humphrey made a motion to go over the budget line item by line item, seconded by Bernie Cameron. After some loud discussion, George Humphrey changed his motion to a request with the agreement of Bernie Cameron. A vote was taken for the sense of the meeting concerning the line item request. The outcome was not determined by the Moderator. Robert Sanborn moved to end discussion, seconded by Willis Rollins Jr. The voice vote was in the negative and the discussion continued. Nancy Guyette moved to amend the MBC figure by adding \$30 000.00, seconded by Jane Miller. Mary County spoke on the fact that this would represent a workable compromise. Robin Talkowski informed the gathering that it would take \$67,000.00 to reinstate the teachers lost. \$30,000.00 would enable social studies books to be updated and acquire some library materials. John Williams stated that Nancy Guyette's amount would have to be put on a specific line item. Dr. Croteau said the school district has the authority to add amounts on any line item at their own discretion. Robert McGowan suggested the amendment be moved and if voted down other sums could then be discussed. Robert McGowan moved the amendment; seconded by Paula Amazeen. It was a voice vote in the negative. A show of hands was called for resulting in 95 yeas and 136 nays. Donald Tomilson moved the original article, seconded by Warren Billings, Jr. It was a voice vote in the affirmative.

A resolution was introduced by Linda Tuttle to petition the state to reduce the school week to four days, thereby saving considerably on heat, electricity and transportation. The resolution was seconded by Robert McGowan.

A move to adjourn by Robert Sanborn, seconded by Warren Billings Jr. took precedence over the resolution. A voice vote produced a division of the house and no tally was completed from a show of hands as the people began to exit.

The meeting adjourned at 3:35 p.m.
